WANDA PLUMMER'S SCHOOL OF DANCE

ABBA Video Productions is offering a professional videotape of each of our recitals this year. Each copy will include a mix of full stage choreography and one or two close pans per group and computer generated graphics scrolling the names of the participants in each show. ABBA Video produces each DVD in a shrink-wrapped hard-shell case with a custom created cover, designed specifically for each of our recitals. They use strategically placed microphones to ensure professional quality audio.

The DVDs will be available approximately four to six weeks following our recital. Upon release, the DVDs are mailed directly to your home. To order, complete the order form below.
